Innistown, ON M6N 4R0

Use them between
April 1, 2012 – May 31, 2012
and save until your August 2012
statement date.

Use these cheques to save now

Dear Niall J Cassidy,

These convenience cheques come with a special interest rate of 11.99% per year with a processing fee of 1.0%. The rate is available especially for you as a Canadian Tire Options® MasterCard® cardmember and lasts until your August 2012 statement date. See CONDITIONS on reverse for details.*

To start saving, just write a cheque, up to the amount of credit you have available, for practically anything:

- Pay off high-rate credit cards
- Cover unexpected expenses, like car repairs
- Take care of tax payments
- Make purchases at places that don't take credit cards

Of course, how you use these cheques is up to you. They work like any personal cheque and are valid from the date above. Just be sure to use them by May 31, 2012.

See CONDITIONS on reverse for details and note that a processing fee of 1.0% of the balance transferred will apply and will be charged to your account when the balance transfer is posted.*

You can also transfer balances online!
